

A Successful team is a group of many hands but of one mind and we are fortunate that one mind is Dr. Mrs. Bhagyashree Patil, the Founder Chairperson of Rise and Shine Biotech Pvt. Ltd and Pro-Chancellor of Dr. D. Y. Patil Vidyapeeth Society, Pune.

She has donned many hats in her expansive career. She is an educationist, entrepreneur, and philanthropist known for her indomitable spirit and her penchant to work for the betterment of society.

An advocate of women empowerment, Dr. Bhagyashree Patil has contributed immensely for the betterment of the lives of several women's by giving them a happier and healthier life.

A woman with an invincible verve, Dr. Mrs. Patil has been instrumental in introducing a number of programs in the rural village areas of Theur, Yavat and in and around neighbouring villages as also in Dr. D Y Patil Colleges and Universities to encourage social upliftment especially for women.

She always emphasis - "Women help yourself first to help others". Financial independence is paramount. When a woman is financially independent, she has the ability to live life on her own terms.

Shrividya

Biotech Pvt. Ltd has given Maharashtra employment opportunities to a large number of women from about 10-12 nearby villages. Dr. Mrs. Bhagyashree Patil aims to assist them and through them to their family financially and holds regular medical camps to ensure their well-being.

She will always motivate rural women with a quote by saying women walking with her legs will surely reaches her Destination but women walking with her brains will take herself & her family to reach the fortunate Destiny.

Empowering women means equipping them with the tools they need to have power and control over their own lives in terms of self-strength to efficiency building of women. A woman has to be strong in respect of her social acceptance, education, economic and most important- psychologically strong.

Dr. Mrs. Bhagyashree Patil has always guided women about how to handle Emotions specially how to increase their ability to express, control emotions in the right way. It is a very soft and delicate skill. Emotions has to be balanced in all the fields, may be career or in the family.

By her counseling she encourages women to increase the power of our mind

and face any battle confidently. She says - Build your own immunity mentally and physically strong. It is really very simple. Practice all positive affirmations continuously and it will work wonders. It's like magic. Believe in yourself and your work

The secret is to try all possible ways to create a joyful energy within you. Enjoy every moment, enjoy yourself. She says Enjoy yourself but She mean to say "IN JOY"-Your joy should be like fountain from within!

Hailing from a humble farming background, Dr. Mrs. B. P. has always been passionate about the upliftment of the farming community. Rise n' Shine is the dream project of her hard work, dedication & determination. This biotechnology company is a result of her entrepreneurial skills fused with her passion through Women Empowerment to serve the farmers and growers of our country and also internationally.

Over the past two decades, Dr. Bhagyashree Patil has nurtured the company and now has a plethora of international collaborations. Rise n' Shine Group of Companies has been recognized as the first and only Indian company to be actively involved in the global floriculture breeding space by the Progressive Search

for Excellence.

New varieties with a very appealing color to cater the market demand has been launched in Gerbera varieties viz. Srividya, the Hot Pink With Black Center is much in demand. Other varieties are - Jaya, Shanti & Shreem has been introduced. She fully supports the Prime Minister's "Make in India" initiative, which was extended into "Grow in India" to improve the country's agriculture sector.

She has always had a holistic approach to the upliftment of the community and hence her success story is known across the globe. Under her leadership, Rise n Shine Biotech Pvt. Ltd has nurtured a strong network of collaborative alliances with reputed global companies. They are also exporting their planting material globally to approximately 40 countries.

You Can't Stop An Entrepreneur From Creating

To spread the message of "Health is Wealth", she has organized and conducted various medical camps with special reference to geriatric care for senior citizens. One of her future projects is to open a hospital in rural areas for accessible and affordable medical care for the local people

She is an ardent supporter of Women

Empowerment through knowledge. She truly believes that education can transform our country and uplift the underprivileged.

To do the same, she has involved herself in the administration of educational institutions right from primary to professional colleges. Dr Bhagyashree Patil is known for her indomitable spirit and her penchant to work for the betterment of society. She strongly works always towards Patient health care which is the most important of all from her Medical Hospital Profile. Along with best treatment of hospital, she has ensured free meals for all patients right from Breakfast till dinner.

When There's A Will, There's A Way

All it takes for an entrepreneur to succeed is to believe in their goals. Just like Dr Mrs. Bhagyashree Patil, who always wanted to make a meaningful contribution to the upliftment of marginal farmers and the empowerment of women, you can have a vision too.

There's nothing that you can't achieve if you are passionate about your beliefs. We strongly feel that if you are smartly working hard, focused & dedicated to your goal, no power in the world can stop you.
